

**Joint Leadership Meeting  
ACNL Chapter Report  
June 2009**

**Chapter Name:** San Gabriel Valley Nursing Leadership Council

**Number of Chapter Members:** 11

**Officers: President/Chair:** Reanna Thompson

**President/Chair elect:**

**Treasurer:** Diana Lugo-Zenner

**Secretary:** Jodi Galli

***\* Officers of the Affiliate Chapters must be members of ACNL***

**Celebration of Chapter Accomplishments:**

- Increase meetings from quarterly to every other month (Even though we are a smaller council, the attendance is very consistent and members really value the time to network and share ideas)
- Increased membership to include Directors and Educators

**Top Issues Confronting your chapter (limit to top 3):**

1. How to handle the number of new graduates; there are not enough open positions. Many organizations have slowed down hiring but want to continue to support new graduates
2. Technology implementations
3. Present on Admission/Hospital Acquired Complications

**Opportunities for Collaboration with ACNL:**

Leadership development

Networking opportunities with other CNOs and Directors

Sharing best practices in education and driving best practice to the bedside

**Respectfully submitted by:** Reanna Thompson
